

The Milton Wolf Prize

in student diplomacy

Identify a community problem – Research how to address it.
Educate others about the problem and how to help.
Follow Milton Wolf: make things happen for those who need it most.

He was a scientist, businessman, and a diplomat skilled at negotiation.

She was a Muslim who saved a Jewish friend during the Second World War and received a Righteous Gentile Award.

But when war came to Sarajevo in 1992, the hero needed to be rescued.
