

Julius Engel With His Brother Jozef

This picture was taken in 1903 or so, and is of my father, Julius Engel, with his brother Jozef.

My father was the oldest of the Engel siblings. He was born on 21st November 1900 in Muranska Lehota. My father had three years of council school and then was a merchant by trade. Jozef, who was two years younger, worked as a salesman and had two sons. Their names are Pavel and Ondrej.
