

The Fischer Family Home

This is a picture of our family home in Lucenec, taken in 1959. We lived on a street in the suburbs. On the left is my older daughter Helenka, beside her is my other daughter Vierka. Also in the picture are my husband's aunt, Iren neni, from Budapest, a relative of ours on my husband's side, Rozsika. Rozsika lived in Germany, but has since died.
