

Anelia Kasabova And Her Four Cousins

This is a picture of all my four cousins and I. I'm on the very right, next to me are Eti, or Ester Avramova and her brother Jozhi, or Josef Avramov, then Nisim Gadol and Bubi, or David Albelda. The photo was taken in Sofia in April 1945. My cousin David is a very famous lawyer in Tel Aviv, Jozhi is a very good doctor and Nisim married a French woman and lived in France for some time, then got divorced and went back to Israel. My cousin Ester lives in America - she went there from Israel. Her husband was a driver in a bus travel company in Israel and he became a guide after that and then they went to the USA.
