

# Helena Kovanicova With Her Granddaughter Helena

This photograph was also taken in Trebic, where we were on a tour of Jewish heritage sites in 2003. My son Jiri took it. On the left is my granddaughter Helena, I'm on the right. My granddaughter Helena was born in 1983, she's studying law. She's interested in Jewish history and the history of our family. She sings in the Jewish choir Mispacha.
