

## The Sisters Of Gabor Paneth's Maternal **Grandfather Eszter And Netta Bergsmann**

My maternal grandfather's sisters. The three elderly ladies are Eszter, Netta and Lujza Bergsmann. The two young girls are probably their daugthers. My great-grandparents, their parents, married in 1862. They lived in Mengusfalva, a village in Oberland, now Slovakia. Moricz was a merchant. They had eight children, three of whom are the ladies in the picture. Another was Ignac, who became a doctor, and another was my mother's father.
