

Peter Rabtsevich's Cousins Etheri Popinskaya And Bella Korzh

My cousins. On the left is Etheri Popinskaya, the daughter of my mother's sister Sarrah Popinskaya [nee Korzh]. On the right is Bella Korzh, the daughter of my mother's brother Meyer Korzh. Both girls were born in 1925. This photo was taken at the school prom in 1937 in Drogitchyn. They made their dresses from crepe paper. My mother never told me how many brothers and sisters she had. I only knew my mother's older sister Sarrah and her brother Meyer. They lived in Drogitchyn. Sarrah was a housewife. She had two daughters. I don't know what Meyer was doing for a living. They perished in the ghetto in Pinsk on 29th October 1942.
