

Yomtov Geron With Friends

This is a photo of my husband's father Yomtov Geron, first from right, with friends of his in Plovdiv. The photo was probably taken in the 1910s. My husband's father was born in Plovdiv. He lived there until he married. Then he came to live in Sliven. He had a textile shop, which was closed by the authorities at the beginning of the 1940s.
